SUMMARY

Computer Science undergraduate and **3D Web Developer** experienced in building interactive web experiences using **React, TypeScript, Three.js, React Three Fiber, GSAP, and GLTF/GLB**. Hands-on experience with real-time 3D rendering, scroll-driven animations, responsive interfaces, and AI-integrated full-stack applications.

PROJECTS

Dog Viewer 3D [GitHub](#) | [Live](#)

- Built an interactive 3D dog viewer using **React Three Fiber and Three.js** with GLTF animations, custom lighting, Reinhard tone mapping, and responsive controls.
- Implemented **GSAP ScrollTrigger and Lenis** for scroll-synchronized animations and smooth 3D interactions with a Vite-based production build.
- Tech:** React 19, Three.js, React Three Fiber, GSAP, Lenis, Vite, OrbitControls, ESLint.

Immersive 3D Web Design Gallery [GitHub](#) | [Live](#)

- Developed an interactive 3D web experience using **React, Three.js, GLTF models, PBR materials, and GSAP ScrollTrigger**.
- Built modular, data-driven React components and optimized scene traversal and material updates for smooth **60fps** interactions across devices.
- Tech:** React 19, Three.js, GSAP, Tailwind CSS, Vite.

SwagForge 3D [GitHub](#) | [Live](#)

- Built a full-stack **3D shirt customization platform** with real-time color, logo, and pattern customization using Three.js and React Three Fiber.
- Integrated **OpenAI DALL-E** for AI-generated shirt designs and implemented a Node.js/Express backend with a React/Vite frontend.
- Tech:** React, Three.js, React Three Fiber, Node.js, Express.js, OpenAI API, Vite, Tailwind CSS, Framer Motion.

SKILLS

Web Technologies: HTML5, CSS3, JavaScript, TypeScript, Tailwind CSS

Frontend & 3D: React, Next.js, Three.js, React Three Fiber, GSAP, Framer Motion, Lenis, Locomotive Scroll

Backend & DevOps: Node.js, Express.js, MongoDB, Docker, Kubernetes, AWS

Generative AI: LLMs, RAG, LangChain, LangGraph, Gemini, Mistral, Cohere

EDUCATION

Mandsaur University

Bachelor of Technology in Computer Science and Engineering

2024 – 2028

Mandsaur, Madhya Pradesh

- 1st Year CGPA:** 7.89 / 10 **2nd Year CGPA:** 7.29 / 10

CERTIFICATIONS & ACHIEVEMENTS

Hackathon Winner: Secured **1st Prize** in a hackathon organized by Outskill.

Open Source Contributor: Contributed to **GirlScript Summer of Code (GSSoC)**.
